- WHITE
- WOODY
- IRON
- WATER
- CREAM
- STONE

POC BK

LIKE LIGHTHOUSE
ON ISLAND.

THE TARGET IS A STRUCTURE THAT SEEMS TO BE ROUNDED
 AND TALL AND CONSTRUCTED OF STONE. THERE ARE
 STONE, WOOD AND IRON ELEMENTS TO IT. MUSKY,
 SCENTED SMELLS ARE EVIDENT, WHICH SEEM TO INDICATE
 EITHER MODERN RELIGIOUS USE OR OLD WORLD USAGE
 THAT HAS LEFT AN ODOUR THROUGH AGE. THERE SEEMS
 TO BE WATER CLOSE BY AS WELL AS VEGETATION.
 THE TEMPERATURE FEELS COOL, ALMOST EUROPEAN.

9.
POL SUGGESTS EITHER AN EASTERN TEMPLE, A CASTLE
WITH A MOAT OR A LIGHTHOUSE ON AN ISLAND
WITH WATER SURROUNDING IT.
